Have a special diet or allergy?
We take pride in sourcing wholesome ingredients, preparing recipes accurately and providing nutritional analysis and ingredient statements through our online menus and nutrition calculator.

We are all passionate about serving students. Our entire team works diligently to address each student’s specific nutritional needs, especially those with food allergies, Celiac disease, or special diet needs. A team approach led by you, our most important guest, is the best preparation for a safe school year free of allergic reactions. We want to meet one-on-one with all of our guests who have individual dining needs to ensure that your dining experience is safe, delicious, and social.

A PLAN JUST FOR YOU.

The L plan is recommended for the student who dines frequently and plans to be on campus most weekends. Plan I is for the hearty eater who may not be on campus during the weekend. For light eaters, Plan O or N will satisfy your appetite. Don’t worry about choosing the wrong plan – you can change your traditional meal plan the third week of the fall semester. Unused LION Dollars expire during the summer, and unused LION Points expire at the end of each semester, so be sure to use them up!

Need help choosing? We are happy to help! Contact us at: 310.338.2977 or visit our “Meal Plan Professor” online to help choose the right plan for you at http://dining.lmu.edu.

A FEW IMPORTANT EXTRAS

LION POINTS + COMMUNITY TABLE
One Lion Point grants you access to Community Table, an All-You-Care-to-Eat style meal at the Lair Marketplace on Thursday and Friday dinner and Saturday for brunch. The L plan will get you into every Community Table meal. The I plan will give you access an average of two times per week and the O plan averages access about once per week. By purchasing a plan that includes LION Points, you will save on the door price every time you dine! If you run out of LION Points, don’t have to miss out on the good food and fun. You can continue to go to Community Table by paying $10.99 at the door.

LION DOLLARS
LION dollars are the culinary currency of LMU. LION Dollars are tax-exempt dollars used to purchase food at any of the dining facilities and convenience stores on campus. The combination of LION dollars and LION Points make up each of the four “LION” meal plans. LION dollars are forfeited on July 31st of each year with no carryover. Highly recommended for: Any student living on campus that needs to eat!

“S” DOLLAR PLAN
Saving Money Always Makes Sense! The “S” Dollar Plan is available to full-time resident and commuter students. “S” Dollars are sales tax-free which means you will receive almost 10% off on each dollar spent on food versus using flexi dollars, cash or credit! Like funds in the LION plans, “S” Dollars are redeemable at all on-campus dining locations. “S” Dollars are non-refundable and are forfeited when you graduate or leave the university. Load up online at: www.lmu.edu/onecard
Highly recommended for: Any full-time resident students!

Even if you don’t live on campus, you spend quite a bit of time here - why not save 10% on the snacks, beverages, coffees and meals you do eat on campus?

FLEXI DOLLARS
Flexi Dollars may augment your meal plan value similar to “S” dollars and carry forward from year-to-year. Flexi Dollars are taxable dollars and are accepted at all campus locations. Load up online at: www.lmu.edu/onecard
Highly recommended for: Graduate Students, Part-Time Undergraduate Students, Faculty and Staff.
